Spartans Hold Awards Banquet

USC backfield coach Dave Levy was guest speaker at the South High football awards dinner held in the school cafeteria Dec. 6.

Members of the Spartan varsity honored at the dinner were: Jay Stuart, co-captain and honorable mention All-Bay League center; Bob Clark, co-captain and most inspirational player; Augie Felando, most valuable player and honorable mention All-Bay League tackle.

Fishing Measure Supported

The 19,000-member Ocean Fish Protective Association, one of California's major sportsmen and conservation organizations, has unanimously given its support to the initiative petition asking the state's voters to give the State Fish and Game Commission complete with regulatory powers over anchovies and sardines caught in California Pacific Ocean waters.

The OFPA action taken last week closely followed that of the California Wildlife Federation, which represents 120,000 California conservationists. Both actions were hailed by conservation leaders as "a major step forward in protecting one of the state's last remaining important natural resources, insuring jobs which depend on this industry will continue to exist, and providing a permanent source of vitally needed recreation for the state's residents."

Best Southland Skiing Reported For Holidays

Possibly the finest skiing since 1961 is the Christmas holidays outlook for most Southland ski areas, and Kratka Ridge, 47 miles from L.A. City Hall, probably will host the best of all.

Kratka president Everett Lehman has announced that all of the sun-protected area will be in full operation for the winter season, including its speedy 2,000-foot rise chair lift, four rope tows, ski rentals, Bierhaus and snack bar. Current estimate of snow conditions are 15-20 inches of packed powder, with much more expected in new storms. Road conditions have been usually good, although it is a good idea to bring along chains.

Kratka is reached through the Glendale-La Canada route up Angeles Crest Highway, but is also accessible via Azusa on Highway 39.

Postponed Race Reset For Sunday

Postponed by rain last Sunday, the third annual Jim Sheridan Memorial 100-lap open competition super-modified championship races at Gardena's Ascot Park have been reset for Sunday afternoon at 2 p.m. Time trials at 12 noon on the 1/4 mile oval.

More than 75 cars and drivers from four states have signed to compete for the \$2,500 winners purse for the 100 lap feature, open to the thirty fastest qualifiers of the day. Other racing includes a 50 lap semi-main, and a 25 lap consolation race, plus a 6 lap trophy dash which will start the days racing.

Second Lieutenant Raymond L. Valentine, son of Mr. and Mrs. Nick Valentine of 17014 Spinning Ave., has completed the rigorous U.S. Air Force survival and special training course conducted by the Air Training Command at Stead AFB, Nev. Lieutenant Valentine, a C-130 Hercules pilot, received combat-type escape and evasion training to enable him to survive under adverse climatic conditions and hostile environments.

Also recognized were junior varsity players Steve Alcorn, Nick Bednorz, Greg Douglas, Mike Harney, and light weight Mike Farber, Hank Hucheman, Jack Martin, Walter Scott, Mike Wittick, Roger Staffan, Ron Noble and Richard Rivera.

Spartans who earned varsity letters were Art Baxter, Rick Cavanaugh, Robert Clark, Sunny Davis, Rick DeArmitt, Greg Douglas, Jerry Dudley, Augie Felando, John Froseth, Jim Jennings, Dale Hewitt, Jim Jones, Ron Kammerer, Steve Jones, Ron Kammerer, Jim Kauble, Jack McTaggart, Robert Nicholas, Tim Plax, Mike Powers, Robert Priestley, Jay Stuart and Craig Tranbarger.

The awards dinner lowered the curtain on the 1965 football season and some people were glad to see it come down. Others, including coach Swift, feel that there is a silver lining on the 1966 horizon. The winning records of the Bee and Cee teams along with, what those close to the football program at South recognize as sound coaching procedures, may well justify the feeling of optimism.

Michigan St. Plans Trip To Pasadena

More than 4,000 Michigan State students have signed in for one or another of the various package deal tours, and perhaps another 4,000 will make the cross country trek independently.

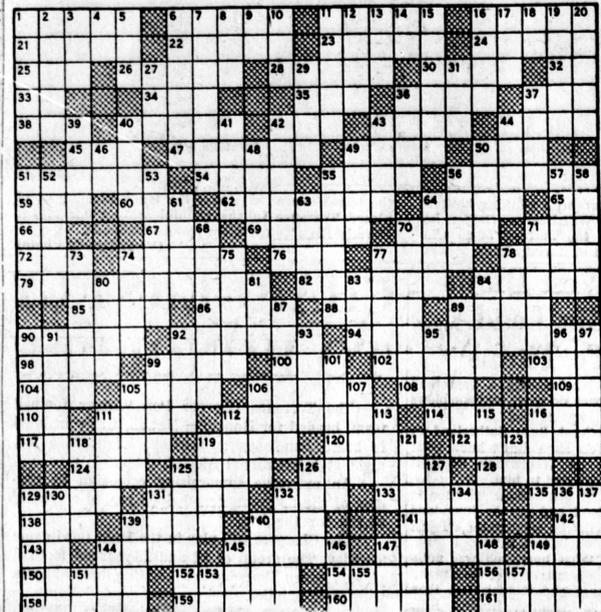

The athletic ticket office said that State's entire quota of about 14,500 game tickets probably would go to priority groups including students, faculty, endowment and Ralph H. Young fund donors, season ticket holders and alumni.

An advance party of four university officials went to Los Angeles and Pasadena this week to conclude various arrangements, ranging from the university's float in the Rose Bowl parade to hotel accommodations for the team and official parties.

In the group were Athletic Director Biggie Munn, Director of University Relations James H. Demison, Athletic Business Manager John Laetz and Alumni Director Jack Kinney.

The Michigan State Marching Band announced its travel plans for the Rose Bowl parade and game. It will fly on Dec. 28 in two chartered planes.

MORE THAN NEEDED
The paper industry term "harvesting on a sustained yield basis" means that it grows more trees every year than it uses, and, says the American Paper Institute, ensures perpetual forests for all.
